along w/ her - yes? wouldn't want to be her outgoing
3 words - happy, friendly, inviting friend, but could get along w/ her
who is she - typical American girl in college
which pic - #1, baby picture - that's how she would describe

"profile picture is what you want people to see"

General Consensus - Shannon

- Shannon is well-liked, many different people in her pictures, seems comfortable
- has mainly an "A" personality type → dresses nice, outting with friends
- B-~~borderline~~ borderline, stuff on her walls, collaged
- is the subject of ~~of~~ her photos
- values being well-liked because of numerous self-portraits, needs/wants that affirmation
- likes going places, football games, photography / artistic ← stylized pictures, walls show music & film
- has lived in North-West her whole life
- does not have a job, is a student, comes from upper/middle class "suburbia"
- white, American with European descent.

Discrepancy

- insecure

- some say ~~she~~ she is by half smile & many self-portraits

- some say no - she's not afraid to look silly (#17/16)?

- seriousness

- yes and no but common consensus is that she respects herself

- value in others relates to her insecurities, if perceived as comfortable with herself → she places less value in others to affirm her. and if she's insecure she places higher value in people

- places relationships with friends at high importance
 - baby picture was big discrepancy
 - many thought consensus is that it is not her's, but a relative's. no cmnts about him being hers.
- doesn't have bf/gf, one person said that she looks ~~to~~ like the type of person who would have a bf/gf.
- welcoming, but reserved/secretive ← half-smile
- all info came from pictures, relies on visual cues to make associations
- most @ would get along with her, but wouldn't want to be her friend
 - typical average college girl

- shy, quiet, introvert, friendly, eclectic, happy, pleasant, socialable, comfortable, artistic, active, humorous, self-centered, needy, girl, inviting

#1, 51, poster with pink fyled, 5, 11, 49 @

- people's interpretations ^{are} reflection of how they want to perceive out of people.
 - some want to assume ~~to~~ the best of people, others are more realistic to life.

Charley's Analysis of Herself

Well-liked? - yes, ~~no~~ pictures with people, outside doing things, many comments

A/B - A - outgoing

insecure - probably, but smiles & has fun, is comfortable for the most part, Δ hair color

serious - yes, cares about

how she looks, not out of ordinary

^{a lot} might be indicators of insecurities

sub/obj - subject

Values

Well-liked - yes, many profile pictures, big smile

interests/hobbies - being outside, sorority?, ^{wins} ^{places} going places

dreams/goals - dreamer (moon pic)

values others - no, cropped out her mom

^{different oceans}

location - different places, ocean, eugene, ~~no~~ miami

travels - yes? ← ppl indication

job - no, student

social class - working/lupper middle class

background - white American, European descent

family/friends - friends, cropped mom out

bf/gf - no

welcoming - yes, but has solid group of friends

I love my family but I'm not with them to take pictures with. I have a long term bf. I have a strong faith background.

- I'm definitely a B personality-type. I enjoy being more laid-back in life. Change hair to challenge my perception of myself. I take myself seriously, ~~not~~ somewhat reserved, not with close friends. I'm not in a sorority, I am a dreamer from PA, who wants to challenge & take on seeing the world. I want to own my own sailboat and be a marine biologist. I travel, family in many places, likes to travel. I waitress when not in school.
